Relying Party Application

Dear TAGPMA Chairs,

On behalf of [relying party] I would like to submit a formal request for membership in the TAGPMA.

As a relying party, our organization is engaging the TAGPMA for the following items:

- The development of a standardized accreditation process for reviewing CAs based upon approved profiles
- Development of new profiles as new identification methods emerge (e.g. campus authentication systems/Shibboleth/...).
- Coordination of CA signing namespace among TAGPMA members
- Publishing of information on TAGPMA Certified CAs including certification status, contact information, TAGPMA Policies and members
- Ensure compliance via reaccreditation based upon a documented auditing policy
- Welcome participation from [relying party] in the development of the TAGPMA organization and policies

[Relying party] is committed to participating in the TAGPMA process by identifying the following representative as a liaison between our organizations.

Representative:

Contact Information:

We also understand the need for continued commitment and participation in the TAGPMA organization as an active member. This individual will attend TAGPMA meetings and participate in ongoing TAGPMA efforts (profile development/review, accreditation review process and overall TAGPMA advancement) and other responsibilities as outlined in the TAGPMA Charter.

Sincerely yours,
